FOREWARD

The first law addressing Nevada livestock branding was in 1873 and required livestock owners with brands to register them with their county recorder. The first livestock association in the state was formed in Winnemucca in 1884.

In 1923, the Nevada Legislature passed an act creating the Board of Livestock Commissioners, now the State Board of Agriculture, which then became responsible for the recording of all livestock brands in the state.

The first Official Nevada Brand Book was published in 1924 and was followed by others in 1932, '36, '41, '46, '51, '56, '66, '71, '76, '80, '84, '88, '92, '96, and 2000.

During the 1975 session of the Nevada State Legislature, a four-year re-recording cycle was adopted to ensure a new Official Brand Book would be published every four years with supplements compiled at appropriate intervals.

The next re-recording period ends December 31, 2007. All current brands will expire unless re-recorded by that date.

The recording of brands in the various counties prior to 1923 led to numerous duplicate brands in the state. Over the years since brand recording became a statewide function, the number of duplicate brands has substantially decreased.

All inquiries concerning cattle, sheep and horse branding or transportation requirements should be made to:

Upon receipt of an application, as set forth in NRS 564.040, the Department shall cause the records of previously recorded brands, remaining of legal record, or not abandoned for more than 1 year as provided in NRS 564.120, to be searched and, if the brand applied for is recordable under the provisions of NRS 564.050, award the brand set forth in the application to the applicant and proceed to record the brand, together with the mark or marks.

2. In the case of any brand awarded after July 1, 1945, the recording certificate issued by the Department must define the area within this state where the brand may be used, and the position on the animal concerned, where it may be applied, and the use of the brand outside that area, or its application to other positions, without the written approval of the Department is unlawful.

3. A brand applied for must not be awarded or recorded until after the lapse of 2 legal business days after the receipt of the application for the brand at the established office of the Department.

4. In all cases where, under the terms of NRS 564.010 to 564.150, inclusive, the brand or brands and mark or marks applied for cannot legally be awarded by the Department to the applicant, the applicant must promptly be so notified by the Department.

5. Applications for the awarding and recording of brands or brands and marks must take precedence in the chronological order of their receipt at the established office of the Department.

6. The Department may refuse to award or record a brand known to be in use at the time in this state, or in an abutting county of an adjoining state, by a person other than the applicant therefor.

1. Upon the awarding of a brand or brands as provided in NRS 564.010 to 564.150, inclusive, the Department shall immediately proceed to record the brand or brands.

2. The recording must consist of the transcribing upon a suitable and permanent record, which is a public record and prima facie evidence of the facts contained in the record, designed and approved by the Department for that purpose, of:

(a) A facsimile, except as to scale, of the brand or brand and mark or marks awarded.

(b) The location upon the animal concerned of the brand or brand and mark or marks as awarded.

All certificates of recordation of brands or brands and marks furnished by the Department under the provisions of NRS 564.010 to 564.150, inclusive, are prima facie evidence of the ownership of all animals of the kind or kinds and bearing the brand or brands and mark or marks specified and as set forth therein, and those certificates must be taken as evidence of that ownership in all suits of law or in equity, or in any criminal proceedings, if the title to animals in this state is involved or proper to be proved.

[Part 4:26:1923; NCL § 3793]

NRS 564.110 Brands and marks subject to transfer; recording of instruments transferring ownership; notice to Department of existence of security agreement, assignment or lien.

1. Any brand or brand and mark or marks awarded and recorded and remaining of record in accordance with the terms of NRS 564.010 to 564.150, inclusive, including those transferred legally as provided in this section, are the property of the person to whom they stand of record as provided in NRS 564.010 to 564.150, inclusive, and are subject to sale, assignment, transfer, security agreement or lien, devise and descent the same as other personal property.

2. Instruments of writing evidencing the sale, assignment, transfer, security agreement, lien, devise or descent must be in that form, as to text, signatures, witnesses, acknowledgments or certifications, required by statutes, in the case of the kind of instrument concerned, but the Department may secure such competent legal advice or rulings, and require such supporting evidence as it deems necessary, as to such instruments of writing, being in fact, authentic and in legal form, before approving and recording those instruments of writing as provided in NRS 564.010 to 564.150, inclusive.

3. Instruments in writing evidencing the transfer of ownership of any brand or brand and mark or marks must, after approval, be recorded in the office of the Department in a book to be provided for that purpose, and are not legally binding until so approved by the Department and recorded.

4. The recording of those instruments has the same force and effect as to third parties as the recording of instruments affecting the sale, assignment, transfer, devise or descent of other personal property. The original, or a certified copy of any such instrument, may be introduced in evidence in the same manner as is provided for similar instruments affecting personal property, and the record of the instrument or instruments of transfer, or the transcript thereof certified by the custodian of the record, may be read in evidence without further proof.

5. If any brand or brand and mark or marks of record, in accordance with the provisions of NRS 564.010 to 564.150, inclusive, becomes the subject of, or is included in, any security agreement, provisional assignment or legal lien, the secured party, provisional assignee or lienholder may notify the Department in writing as to the existence and conditions of the security agreement, provisional assignment or lien. After the receipt of the written notice, the Department shall not transfer the brand or brand and mark or marks, other than to the secured party, provisional assignee or lienholder until there is filed with the Department satisfactory legal evidence that the security agreement, provisional assignment or lien has been legally satisfied and removed.

6. No transfer or change, or partial, joint or complete ownership, of any brand under the provisions of this section:

(a) Grants or recognizes any change in the method or area of its use from that authorized at the time of recording, or subsequent thereto but before the transfer or change of ownership; or

(b) Waives or modifies the rerecording requirements set forth in NRS 564.120.

[11:26:1923; A 1937, 154; 1945, 225; 1943 NCL § 3800]—(NRS A 1961, 537; 1965, 943; 1993, 1737; 1999, 3674)

3. The Department shall notify every owner of a brand or brand and mark or marks of legal record in its office, including owners of brands and marks transferred under the provisions of NRS 564.110, at least 60 days before to January 1, 1976, and January 1 at the end of each 4-year period thereafter, of his right to rerecord the brand or brand and mark or marks as provided in this section. The notice must be in writing and sent by mail to each such owner at his last address of record in the office of the Department. The notice is complete at the expiration of 60 days after the date of its mailing by the Department.

4. The Department may also advertise the approach of any rerecording period in such manner and at such times at it deems advisable.

5. Any brands or brands and marks for the rerecording of which the owners have not applied as provided for in this section by January 1, 1976, or by January 1 of any 4-year period after that date, including all brands and marks of record as transferred as provided in NRS 564.110, shall be deemed abandoned and no longer of legal record as provided for by NRS 564.010 to 564.150, inclusive. The Department may, on the written application of the owner of any legally recorded brand, authorize in writing a change of position or a new position for the application of the brand, or change or enlarge the area in which it may be used, if in the opinion of the Department the change in position or area of use will not jeopardize or injure the rights or property of the owner of any other brand remaining of legal record.

2. Any application for a change in position or a new position or a change in the area of use as provided in subsection 1 must set forth a sufficient reason for the change, and the Department may require such supporting evidence for the change as it deems necessary to establish the facts.
