Nevada Department of Agriculture

**Nevada Noxious Weed Free Forage and Gravel Certification Program**

## 2015 INSPECTION FEES

*In order to receive a certification inspection and/or receive a certificate of weed-free status within the Nevada Noxious Weed Free Certification Program the following fees apply:*

| | |
|---|---|
| **Driving Mileage** | **$0.575/mile** |
| **Driving Time** | **$40.00/hour** |
| **Annual Inspection Fee** | **$50.00/year** |

**A producer only has to pay this fee once a year on the first cutting of forage products or on the spring inspection of a gravel pit certification.*

| | |
|---|---|
| **Inspection Time** | **$40.00/hour** |

---

## TWINE FEES

*All Nevada certified weed free baled forage products must be baled with one string of the designated certified weed free twine. The twine strengths and associated rates are the following:*

| | |
|---|---|
| **9600/170** | **$40.50/bundle** |
| **6500/240** | **$40.00/roll** |
| **4000/350** | **$36.50/roll** |

** All fees are subject to change on an annual basis depending on NDA program costs and program budget.**
