

SUMMARY—Revises provisions relating to the State Board of Agriculture. (BDR 50-263)

FISCAL NOTE: Effect on Local Government: No.

Effect on the State: No.

AN ACT relating to agriculture; revising the qualifications of the members of the State Board of Agriculture; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Board of Agriculture, consisting of 11 members, and sets forth the qualifications of the members. (NRS 561.045, 561.055) **Section 1** of this bill revises the membership of the Board by requiring that: (1) two members are actively engaged in livestock production; (2) two members are actively engaged in growing crops, at least one of which is a specialty crop harvested by mechanical cultivation; (3) one member is working in the field of supplemental nutrition distribution; and (4) one member is actively engaged in food manufacturing or animal processing. **Section 1** also removes the requirement that certain members be actively engaged in: (1) range or semirange cattle or sheep production; (2) general farming; and (3) growing crops which are planted in rows. **Section 2** of this bill: (1) provides that each member who is serving on the State Board on June 30, 2022, continues to serve until the expiration of his or her term or until a vacancy occurs, whichever occurs first; and (2) requires

the Governor to appoint the members representing supplemental nutrition distribution and food manufacturing or animal processing to terms commencing on July 1, 2022.
