

Statutory Authority - AB 77 Section 23

Regulatory Authority - Director

NAC 555 Adoption by reference of the North American Invasive Species Management Association Guidelines.

1. The Director hereby adopts by reference the North American Invasive Species Management Association official publication, latest revision, and any subsequent revision issued by the North American Invasive Species Management Association, which has been approved by the Director for use in this State. Each new revision shall be deemed approved by the Director unless he or she disapproves the revision within 60 days after the date of publication by the North American Invasive Species Management Association.

2. The Director will review each revision issued to ensure its suitability for use in this State. The most recent revision that has been approved by the Director will be available for inspection at the office of the Nevada Department of Agriculture, or may be obtained from the North American Invasive Species Management Association, On-Line at <http://www.naisma.org> for free.

NAC 555 Fees

1. The Director will publish an annual fee schedule for the services and products used in a Weed Free Certification Program. The fees and product pricing must approximate the cost of providing same.
