

# Nevada Hemp Certificate Holders 2023 – September

## Plant Division

The following list(s) reflects all active hemp certificate holders in Nevada current as of **September 21, 2023**, with the exception of applications that are currently under review. The following list is updated every few months. The Nevada Department of Agriculture does not endorse the use of one producer over another and will not recommend producers or hemp varieties for growers. This list in no way declares that each hemp grower, handler, or seed producer will supply product that will maintain a Total Potential THC concentration of less than 0.3%.
