

AGRICULTURAL WORKER

ACKNOWLEDGMENT OF PESTICIDE SAFETY TRAINING

See reverse side for Spanish translation.

(Agricultural workers are persons who perform tasks such as weeding, and irrigating in areas where pesticides have been applied within the last 30 days.)

I, _____, have received general pesticide safety training.
(please print name)

The training included:

- Where and in what form pesticides may be encountered during work activities.
- Hazards of pesticides resulting from toxicity and exposure, including acute effects, chronic effects, delayed effects, and sensitization.
- Routes through which pesticides can enter the body.
- Signs and symptoms of common types of pesticide poisonings.
- Emergency first aid for pesticide injuries or poisonings.
- How to obtain emergency medical care.
- Routine and emergency decontamination procedures, including emergency eye flushing techniques.
- Hazards from chemigation and drift.
- Hazards from pesticide residues on clothing.
- Warnings about taking pesticides or pesticide containers home.
- An explanation of the Worker Protection Standard requirements designed to protect workers, including application and entry restrictions, warning signs, oral warnings, availability of specific information about applications, and protection against retaliatory acts.

I acknowledge that I have received general pesticide safety training on topics listed above.
