

## **March 1, 2017 Board Update**

### **Animal Industry Division**

---

#### **Investigations**

- Mustang Monument investigation is in progress. We will hold any update until the investigation is completed.
- Long Valley investigation is complete. Guilty plea with one count of animal abuse.

#### **Administration**

- We have filled the Wildlife Services field assistant II position.
- Animal audit will be complete once the head tax portion is implemented in June 2017.
- As of February 21, 2017 the Permit Desk will be moved to the Elko office instead of being split between the Sparks and Elko offices.
- Electronic brand inspection process is continuing. We will have an additional 29 iPads in the field in early March.
