

**March 1, 2017 Board Meeting**  
Plant Industry

---

**Request to go to workshop and hearing to amend NAC Chapter 555.010**  
**Designation and categorization of noxious weeds.**

- Consider reclassification of certain noxious weed species into different categories spread between (A) Limited distribution (B) Established populations (C) Statewide distribution
- Consider revising the current list of noxious weeds to include additional species found in neighboring states
