June 2015

To all Registered Service Agents/Agencies:

According to the Nevada Administrative Code 581, it states that the RSA service/repairman or agency is to make confirmed contact with the Bureau of Weights and Measures within 24 hours of any repairs, installations or repairs to devices within the State of Nevada.

Please find enclosed our contact card for ensure timeliness to this NAC. There are the same number of cards as are agents registered in with your company.

Due to personnel turnover within the Bureau of Weights and Measures, we ask that you only use the numbers on these cards as your point of contact. Contact can be made via fax, to the office, call or text to the Supervisor cell phone listed.

Also, note that failure to comply with this NAC may result in a fine to your agency. The rate of fine is \$25.00 per device for a first offense, \$50.00 per device for a second offense, \$100.00 per device for a third offense. Repeat offenses may result in an administrative hearing that could result in the removal of your agency from the RSA program.

The Bureau of Weights and Measures will list your agency on the Consumer Equitability website as available service/repairmen, unless you contact the office and request that your agency **NOT** be listed.

If there are any questions regarding any of the information included in this letter, do not hesitate to contact the office.

Thank you,

State of Nevada  
Department of Agriculture  
Bureau of Weights and Measures

STATE OF NEVADA
