AN ACT relating to conservation; revising provisions governing the distribution of grants of money by the State Conservation Commission to conservation districts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law sets forth the general rule that the State Conservation Commission
2 must distribute grants of money provided by legislative appropriation to qualifying
3 conservation districts in equal amounts. (NRS 548.178) This bill provides an
4 exception to the general rule for the distribution of such grants of money if: (1) the
5 grants of money are for a specific competitive grant program for which the
6 Legislature expressly appropriated money; and (2) the competitive grant program is
7 governed by regulations specifically adopted to govern that competitive grant
8 program and those regulations expressly state that the grants of money may be
9 distributed in unequal amounts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 548.178 is hereby amended to read as follows:
2 548.178 1. The Commission may establish programs for
3 distributing, within the limits of legislative appropriations and other

5 appropriation in equal amounts to each conservation district which
6 the Commission determines qualifies for a grant.

7 (b) The Commission may distribute grants of money provided
8 by sources other than legislative appropriation in such amounts and
9 subject to such conditions as the Commission determines
10 appropriate to any conservation district which the Commission
11 determines qualifies for a grant.

12 2. The Commission may determine that a conservation district
13 qualifies for a grant of money pursuant to this section if the district
14 demonstrates to the satisfaction of the Commission that the district:

15 (a) Has been established in accordance with the provisions of
16 this chapter; and

17 (b) Is in compliance with all of the requirements of this chapter
18 and the regulations of the Commission adopted pursuant thereto.

19 3. Except as may otherwise be provided as a condition of a
20 grant of money distributed by the Commission pursuant to
21 paragraph (b) of subsection 1, a conservation district that is awarded
22 a grant of money pursuant to this section may use the money for
23 reasonable and necessary expenses incurred by the district in
24 carrying out its duties and authorities in accordance with this
25 chapter and the annual district budget approved by the Commission.

26 4. *With regard to money provided by legislative*
27 *appropriation, the Commission may distribute grants of money to*
28 *conservation districts in unequal amounts if:*

29 (a) *The grants of money are for a specific competitive grant*
30 *program for which the Legislature expressly appropriated money;*
31 *and*

32 (b) *The competitive grant program described in paragraph (a)*
33 *is governed by regulations specifically adopted to govern that*
34 *competitive grant program and those regulations expressly state*
