# **INTRODUCTION**

The Nevada Junior Livestock Show is held under the supervision of the Nevada Junior Livestock Show Board in accordance with the Nevada Revised Statutes. Throughout the rules, "Board" refers to the Nevada Junior Livestock Show Board and "Show" includes the Nevada Junior Livestock Show and Sale. The Board makes and enforces all rules for the Show.

The purpose of the Nevada Junior Livestock Show is to provide an opportunity for National FFA Organization (FFA), 4-H, Grange and Independent members to exhibit their livestock projects before the public; thus promoting and providing the incentive for achieving excellence in livestock production, skills and practices. Such achievement and participation in the Show encourages sportsmanship, leadership, citizenship and responsibility of the highest order in the members.

Through the judging and placing of entries, modern livestock market standards are outlined and the education of members, leaders/advisors and parents/guardians regarding livestock industry trends is made possible.

As a part of the Show, the Board offers a livestock sale for market animals.

DOGS ARE NOT ALLOWED ON NJLS DESIGNATED SHOW GROUNDS WITH THE EXCEPTION OF GUIDE DOGS, HEARING DOGS, HELPING DOGS, AND SERVICE ANIMALS AS THOSE TERMS ARE DEFINED IN NRS 426.075, 426.081, 426.083 AND 426.097.

## **GENERAL RULES APPLICABLE TO ALL EXHIBITORS**

### **Interpretation and Enforcement:**

The Board and Show Management reserve the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Show. Counties may have additional eligibility requirements recognized and supported by the Board provided there is no conflict with Show Rules. An exhibitor or adult who violates any Show rule will be subject to expulsion from the Show and loss of any awards. Future participation in the Show will be at the discretion of the Board. Any dispute or question with regard to decisions of Show Management must be presented to the Grievance Committee in the appropriate manner.

### **Rule Review/Development:**

The Board will review NJLS rules bi-annually, or as needed, in the fall. The Board will solicit rule suggestions from the public after every Show. A Committee, formed by the Board, will evaluate these suggestions and forward recommended changes to the Board. The Board at its fall meeting will review, modify and vote on the changes. Changes approved by the Board will be effective November 15.

## **Liability:**

All entries are accepted with the understanding each exhibitor shall be solely responsible for any loss, injury or damage done to or occasioned by him/her, or arising from any animal or article exhibited by him/her. Exhibitors and parents agree to hold blameless the State of Nevada; Nevada Junior Livestock Show Board; Nevada Junior Livestock Show Board Representatives; Reno-Sparks Livestock Events Center; Nevada Department of Agriculture; Board of Regents, University and Nevada System of Higher Education; University of Nevada, Reno; University of Nevada Cooperative Extension (UNCE); UNCE personnel; FFA Advisors, 4-H Leaders, **Grange Advisors**; and other persons involved in the Show in case of accident or injury of any nature to the exhibitor or any loss or damage occurring to their property or livestock.

## **Conduct and Supervision of Exhibitors:**

Exhibitors and adults are representatives of their FFA, 4-H, or **Grange** organizations and are expected to act in an appropriate manner. **Independent exhibitors and supervisors must abide by all rules.** Misconduct of an exhibitor such as to reflect discredit on him/her, his/her chapter or club or the Show will be cause for disqualification and result in sending the exhibitor and his/her exhibit home. Conduct must consider safety for all in attendance. Conduct jeopardizing the safety of animals or people will subject the exhibitor to disqualification. Malicious damage to the Reno-Sparks Livestock Events Center will also be considered just cause to send an exhibitor and exhibit or adult home. In such cases, all awards will be withheld and future participation in the Nevada Junior Livestock Show will be at the discretion of the Board.

Not allowed at the Show are items, which can create a hazard on the grounds, including, but not limited to: bicycles, skateboards, roller-skates, in-line skates, scooters and remote controlled or mechanical toy devices.

Any use or possession of alcohol or illegal drugs is grounds for immediate disqualification and expulsion from the Show and Sale. Exhibits, exhibitors and adults will be sent home and forfeit all rights to any awards, prizes or the sale of their animal.

**WHILE AT THE SHOW, ALL EXHIBITORS MUST BE RESPONSIBLE TO AND CHAPERONED BY THEIR RESPECTIVE ADVISORS, LEADERS AND/OR PARENTS. ALL EXHIBITORS MUST BE UNDER THE SUPERVISION OF AN ADULT CHAPERONE AT ALL TIMES AND NOT LEFT IN THE CARE OF SHOW OFFICIALS.**

**Exhibitors will comply with all reasonable requests made by Show Management.**

## **Mandatory Requirement**

As a requirement for entry, all exhibitors will be required to attend quality assurance training. This training must be updated every three years and a list of eligible trainings can be found on the NJLSB web page.

## **Eligibility:**

All Nevada and designated California county's, FFA, 4-H, **Grange** and **Independent** exhibitors in good standing meeting county eligibility requirements are eligible.

Independent exhibitors not affiliated with any organization on weigh-in date (December 1 for Beef, March 1 for Dairy Cattle, Meat Goat, Rabbit, Sheep and Swine) may enter. An exhibitor may not switch to an Independent exhibitor after the weigh-in date. All independent exhibitors must request an affidavit from the Show Office that must be attached to the entry form. Independent exhibitors will abide by all rules in the rulebook.

**Senior Division:** Includes any exhibitor 14 years or older as of January 1<sup>st</sup> of the year exhibiting. Exhibitors must not be older than 19 years of age on January 1<sup>st</sup>. FFA members are eligible until December 31<sup>st</sup> the year following graduation.

**Intermediate Division:** Includes any exhibitor 11, 12 or 13 years of age as of January 1<sup>st</sup> of the year exhibiting.

**Junior Division:** Includes any exhibitor 9 or 10 years of age as of January 1<sup>st</sup> of the year exhibiting.

Any exhibitor disqualified from any other youth livestock show is ineligible to show at the Nevada Junior Livestock Show for the period of ineligibility.

All market animals entered in the Show must be sold through the Nevada Junior Livestock Show Auction, provided they are of blue or red ribbon quality. Exhibitors may sell one market animal, **unless both animals are Champion/Reserve Champion, then both must sell.**

FFA, 4-H, **Grange** and **Independent** exhibitors of Alpine, El Dorado, Inyo, Lassen, Modoc, Mono, Nevada, Placer, Plumas and Sierra Counties, California will be allowed to exhibit at the Show.

The Board encourages county pre-shows where appropriate and applicable. **County rules would apply to all exhibitors.** Animals to be exhibited at the Show must be of blue or red ribbon quality as verified by the FFA Advisor, UNCE personnel or **Grange Advisor**; an exhibitor may obtain special permission from County Show Management if they have a conflict with qualifying dates.

### **Ownership Dates:**

Market Animals:

Members are encouraged to select their projects early under the direction and recommendation of their advisors or leaders.

Beef: December 1<sup>st</sup> of the year preceding the Show.

Market Goat: March 1<sup>st</sup> of the year exhibiting.

Sheep: March 1<sup>st</sup> of the year exhibiting.

Swine: March 1<sup>st</sup> of the year exhibiting.

## Breeding Animals:

Joint ownership is not allowed. **Exhibitors must submit a copy of a bill of sale, proof of ownership or appropriate lease document**, verifying ownership by March 1, and attach a copy to the entry form postmarked April 5<sup>th</sup> of the current show year.

Appropriate lease documents must specify the exhibitor is solely responsible for the care of the animal by March 1 of the current year and the animal is genuinely the exhibitor's project.

## Market Weight Qualifications:

Market Animal	Minimum Show Weight	Maximum Pay Weight	Maximum Show Weight
Beef	1000	1350	
Market Goat	75	120	
Sheep	105	150	
Swine	210	265	285

The maximum show weight for swine will be 285 pounds. **This has been waived for the 2112 show.**

To be eligible to show, weights of market animals must meet the specified minimum weight requirements, and not exceed the maximum show weight. Animals not meeting this minimum weight and exceeding the maximum weight, will not be allowed in market classes or sell; however that animal may be used by the exhibitor in Showmanship and moved to the Feeder class if under the minimum show weight (see Feeder Show). If the animal is over the maximum show weight it may be shown in an appropriate breeding class, if eligible (see Breeder Show).

Market animals exceeding the maximum pay weight will be sold with the extra poundage donated to the buyer by the exhibitor.

The intention of the Board in allowing entry of animals exceeding the maximum pay weight is not to encourage overweight animals, rather, the purpose of the rule is to accommodate fast growing animals as it may be detrimental to the animal if held back.

## Castration:

All male market animals exhibited must be properly castrated (both testicles removed) by the official ownership date for each species.

## Ear Tagging:

All market animals are required to be ear tagged **within the two weeks before the ownership date**. The Board will provide ear tags for each county upon request. **All ear tags must be pre-paid.** There is a \$20.00 per tag fee. **This fee covers all of the class entry fees for that animal. Market animals will no longer have a separate entry fee. No refunds.**

**If an ear tag is lost the Board Office must be notified immediately, replacement tags have no further charge.**

Two market animals, regardless of species, may be selected for ear tagging, per individual exhibitor. A backup animal may be a family backup for any youth in the family. The purpose of a family backup animal is to allow a family to have one backup animal, if each youth does not wish to have a backup animal of his/her own. The backup animal must be designated to an exhibitor at check-in, to be shown.

An ownership record (eligibility form) for each Market animal tagged must be submitted by the FFA Advisor, UNCE Office, Grange Advisor or approved Independent exhibitor responsible adult, to the Board office, by the 15<sup>th</sup> of the month (December, March). This ownership record will list each exhibitor (family backup), ear tag number for each animal, sex of animal, breed of animal, birth date of animal, weight of animal and if it is homegrown.

### **Home Produced Steer, Meat Goat, Lamb or Swine:**

Open to all exhibitors who fed home produced market animals for the Market Show. To qualify as a home produced animal, the exhibitor or his/her parents or guardian must own the dam prior to the birth of the animal. Home produced animals must be born on the farm or ranch on which they are raised. Certification must be by a local advisor, leader and/or parents/guardians who are in the best position to know the situation. The Judge of the Show chooses the winner.

### **Dress Requirements:**

To enter the Show exhibitors must be neat, clean and dressed in the minimum requirement of the official uniform of his/her organization. Minimum requirement for FFA member is dress shirt; FFA tie/scarf; FFA jacket; and clean, neat black trousers. Minimum requirement for 4-H members is a collared, long sleeved white shirt; 4-H green tie/scarf; and clean, neat trousers. 4-H hats and jackets are optional. Minimum requirements for Grange members are a collared, long sleeved white shirt, and Grange vest. Minimum requirements for Independent exhibitors are a collared, long sleeved white shirt and clean, neat trousers. Boots or firm-toed shoes are mandatory for showing beef and dairy cattle; and recommended for meat goats, sheep, and swine for safety reasons.

### **Care of Exhibits during the Show:**

All animals exhibited must be cared for and fed during and after the Show at the expense of the exhibitor until released by Show Management.

All livestock, pens and stall areas must be cleaned by 8:00 am and must be kept clean and neat for exhibit to the public until 6:00 pm each day of the Show. Water **may not** be dumped in high traffic areas. Each exhibitor must properly feed, fit, care for, exhibit and sell his/her own animal. Show Management reserves the right to excuse an exhibitor in an emergency situation or for reasons of impaired health.

To enter the Show, animals must be properly cleaned, fitted and trained to be quiet and tractable in the ring. Animals not meeting these requirements may be disqualified and will not receive awards.

All animals must be exhibited in the designated show ring in order to be judged.

This Show is for the youth exhibitor. Fitting and grooming (grooming includes washing) of animals by an adult without the joint participation of the exhibitor will not be allowed. Adult participation or supervision in fitting and grooming of an exhibitor's animal must be performed with the exhibitor present and in a "hands on" educational manner, not just watching (For example: adult hands covering exhibitor's hand as the clippers are used on the animal; adult helping the exhibitor put an animal on a sheep stand or in a blocking chute.) Another exhibitor may render physical assistance. Adults may assist in a manner to keep exhibitors and/or animals safe. After a warning by Show Management to the exhibitor, a second violation results in disqualification of that exhibitor.

Humane treatment of animals is expected. Any abuse of an animal is grounds for immediate disqualification and expulsion from the Show and forfeiture of all awards.

Washing of animals will be in designated areas only.

### **Health and Brand Inspection of Animals:**

Out of State exhibitors must present a Certificate of Veterinary Inspection for all Animals issued within 30 days of the Show prior to unloading and admission to the Show grounds. This Certificate must be in compliance with all current Nevada Department of Agriculture Health requirements, the State of Nevada Swine Pseudorabies Eradication Program and State of Nevada/National Scrapie Eradication Program. This has been waived for all in state exhibitors. A veterinarian will do a visual inspection of all animals at the gate.

To be admitted to the grounds, animals must show evidence of good health; no animal with communicable disease or unsightly condition shall be accepted. Lambs or goats with soremouth will not be allowed at the Show.

Show Management reserves the right to require health inspections and diagnostic tests to be made before or after animals are admitted to Show grounds.

Brand Inspections are required for all animals crossing a state brand inspection district boundary line in accordance with Nevada Department of Agriculture Brand Inspection Laws.

The Board and Show Management will follow all Federal and State programs related to the transmission of zoonotic diseases, viruses or other maladies.

### **Limitation of Entries:**

Show Management reserves the right to limit entries to the capacity of the facilities available.

### **Making Entries:**

Entries must be made on OFFICIAL ENTRY FORMS provided to FFA advisors, UNCE Offices, Grange advisors and Independent exhibitors as requested. The entry form is also on the Board's web page. The original and one copy of page two must be submitted to the NJLSB office. The club leader, FFA Advisor, UNCE personnel, Grange Leader or Independent or their representative and parent/guardian must certify entries properly. Entry forms must be postmarked by April 5<sup>th</sup>. (Mailing address: Nevada Junior Livestock Show Board, P.O. Box 8026, Reno, Nevada 89507)(Physical address: 405 South 21<sup>st</sup> Street, Sparks, Nevada 89431) Within two days of the

conclusion of a county show, the exhibitor or representative must notify the NJLSB office of any white ribbon animals.

**A nonrefundable entry fee of five dollars (\$5.00) per head for all Breeding and Feeder Show animals is due with the entry form postmarked by April 5<sup>th</sup>. Any Breeding or Feeder Show entries not accompanied by an entry fee will not be processed.**

A market animal not weighed-in will be scratched from the market show.

**Note to Parents / Guardian / UNCE Personnel / Advisors:** By signing the Entry Form, each parent / guardian / UNCE personnel/ advisor acknowledges that:

1. He/she has read the NJLS rules and regulations.
2. The junior exhibitor has owned, fed and cared for the market animal throughout the required ownership period. He/she has supervised the exhibitor and the animal/s have not had any drugs, chemicals, feed additives, or other substances used on them except pursuant to the label specifications, or unless under the direction and supervision of a licensed veterinarian for the therapeutic purposes. All drugs, chemicals, feed additives or other substances for which the required withdrawal period has not elapsed prior to arrival at NJLS, the animals will not be allowed to sell or show in a market class.
3. He/she has supervised the junior exhibitor and the animals have not been tampered with in any way, including but not limited to, unethical fitting or any method altering the natural conformation of any part of the animal's body.
4. He/she understands the penalties for violating these general, and show specific rules and regulations.

### **Late Entry Policy:**

A \$25.00 late entry fee (**in addition to normal entry fees**) per exhibitor, per instance of submitting a late Entry Form or modifying an existing Entry Form, will be assessed. No late Entry Form or modification will be accepted after the close of weigh-in as identified on the Show Schedule. This rule does not apply to automatic entries or modifications based on existing Rules. The late entry fee is due with the Entry Form or at the time of modification; **any late Entry Form not accompanied by the late fee will not be processed.**

### **Showmanship Entries:**

Showmanship is optional. An exhibitor enters Showmanship by listing the appropriate class on the Entry Form. The exhibitor may enter only one animal per species in Showmanship. Only Market, Feeder or female Breeding animals owned and fitted by the exhibitor may be entered in Showmanship. **Also, Market animals not making minimum show weight or those over the maximum show weight may show in Showmanship.** No uncastrated male animals are allowed in Showmanship classes. Halters on sheep cannot be used in Showmanship classes.

With permission of the local leader, FFA Advisor, UNCE personnel, **Grange Advisor or Judge**, an exhibitor may show in the next advanced Showmanship class because of experience.

Exhibitors showing a specie for the first time may enter Novice Showmanship. The class will be placed thru eighth place. The first and second place exhibitors will be allowed to move on to their appropriate age group.

Pee Wee showman will be allowed to bring their own animals, they will be required to pre-enter to accommodate stalling assignments. All rules will apply to those animals. All other Pee Wee showman using other market /breeding animals do not need to pre enter.

### **Showmanship Placing:**

Since all Showmanship requirements are approximately the same, the following is printed as a guide. It must be emphasized this is only a guide, and all Judges will not put the same emphasis in each point. Judges will vary the emphasis depending upon the class, competition, etc.

Fitting: Condition, quality, firmness and uniformity of finish	10%
Grooming: Clean, trimmed, brushed, blocked, feet trimmed, etc.	20%
Knowledge of project: specie and industry related questions	10%
Showmanship:	<u>60%</u>
	100%

### **Round Robin Showmanship:**

Round Robin Showmanship will be made up of the 1<sup>st</sup> and 2<sup>nd</sup> place showman in each age group in each species. A youth, awarded 1<sup>st</sup> or 2<sup>nd</sup> place showman in their Showmanship class, must confirm at the end of that class their intention to participate in Round Robin Showmanship. Should the 1<sup>st</sup> and/or 2<sup>nd</sup> place showman fail to confirm this intention, the opportunity to participate in Round Robin Showmanship will be given to the 3<sup>rd</sup> and then 4<sup>th</sup> place showman in that class.

### **Market Show Entries:**

An exhibitor may list two Market animals on their Entry Form, regardless of species. Both animals listed on the Entry Form may be shown in their market classes and one may be shown in showmanship. Only one animal may be sold. The animal that will be sold will be the higher placing animal if in the same species; if animals are different species the exhibitor has until 6:00 p.m. Friday after the market show to declare which animal will sell. If exhibitors do not declare which animal will be sold, the show management will decide and the exhibitor must comply with the ruling. Another youth exhibitor may show the second animal if the animals are in the same weight class. If both animals are Champion/Reserve Champion, then both must sell.

Market animals that do not make weight at the scale may enter that species' Feeder Show, the \$20.00 ear tag fee covers the Feeder Show entry fee. See [Feeder Show Entries](#).

Each exhibitor must show and sell his/her own Market animal. All animals must be shown in accordance with the Show Schedule. An exhibitor may be disqualified for failure to bring an animal into the ring at the appropriate time.

### **Feeder Show Entries:**

The Show is open to Beef, Meat Goat, Sheep and Swine Feeder animals as noted under the weight qualifications per species. Exhibitors may enter up to two animals per class. There will be NO EXCEPTIONS. Exhibitor must provide proof of ownership at time of entry, Feeder animals

must be owned by March 1<sup>st</sup>. A nonrefundable entry fee of five dollars (\$5.00) per head is due with the Entry Form postmarked by April 5<sup>th</sup>. Market animals that do not make minimum show weight at the scale may enter that species' Feeder show. The exhibitor has one hour from the close of weigh-in to submit a revised Entry Form (moving the animal from Market to Feeder class) to the Show Office. Any entries received without payment will not be processed. There is no sale provision for animals in Feeder classes at the Show.

### **Breeding Show Entries:**

The Breeding Show is open to Beef, Goat, Dairy Cattle, Sheep, and Swine Breeding animals as listed in the class offerings in this Rule and Information Book. The same animal **cannot** be shown in both Breeding and Market classes. (Except where noted in class lists)

Both registered and unregistered Breeding animals are eligible to be exhibited in listed classes. Exhibitors may enter two animals in each individual class (Breeding and Feeder classes only.) Breeding animal entries must include: breed, individual identification number, name of animal and birth date, including the scrapie tag number for sheep and goats. If the animal is registered, the exhibitor must also list the registry number. Individual identification number for Breeding animals is required as acceptable per breed association. Exhibitors may show more than one species in the Breeding show.

Exhibitors of all registered animals shall submit a certificate of registration from the respective breed association. The certificate of registration for the animal shall stand in the name of the individual unless accompanied by appropriate lease documents.

All animals must be shown in accordance with the Show Schedule. An exhibitor may be disqualified for failure to bring an animal into the ring at the appropriate time. If schedule conflicts arise, an exhibitor may make arrangements for another FFA, 4-H, **Grange or Independent exhibitor** to assist him/her in showing Breeding animals **and Market animals, when both are in the same class**. All youth must be in appropriate uniform for the show ring.

The Judge and/or Show Management may disqualify any animal that is not sufficiently gentle to be shown with safety.

No animal substitutions are allowed.

**Refer to ownership dates.**

### **Arrival and Weighing-In of Entries:**

All entries must arrive within the time limits listed on the Show Schedule. Late arrivals will be disqualified unless Show Management accepts proof of an extenuating circumstance. **Out of state** exhibitors must present a Certificate of Veterinary Inspection for all animals, issued within 30 days of the Show, prior to unloading and admission to the Grounds. This certificate must be in compliance with all current Nevada Department of Agriculture Health Requirements, the State of Nevada Swine Pseudorabies Eradication Program and State of Nevada/National Scrapie Eradication Program. An official on the premises will verify each Certificate of Veterinary Inspection as animal(s) enter the Grounds. **A veterinarian will do a visual inspection of all animals at the gate.** Animal(s) must be in the weigh-in line within 30 minutes of this inspection.

Blankets will not be allowed on Market animals during weigh-in. Show Management will make every effort to achieve accurate weights. A representative of the State Division of Weights and Measures inspects scales officially within two weeks of the Show. Exhibitors or their representative are encouraged to watch carefully when their animals are weighed and the weights recorded. If questions arise over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and animal re-weighed immediately.

The animal in question **CANNOT** leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight is considered official.

Market animals not making weight requirements at weigh-in may not compete in Market classes; the exhibitor may use them in Showmanship. See: Market Show Entries / Feeder Show Entries / Breeding Show Entries.

### **Release of Entries:**

**Release Form must be obtained Sunday morning from the Show Office by 9:00 a.m.**

Show Management will specify release time for each species. The animal may not be withdrawn from competition without the consent of Show Management. No animal is allowed to leave prior to the specified release time.

**No animal will be released until 10:00 a.m. on Sunday**

**Dairy cattle in milk production can be released on the day of the Show for milking. See Show Office.**

### **USE of PHARMACEUTICALS, BIOLOGICS and CHEMICALS:**

During the Show a licensed veterinarian shall be notified of any animal on any part of the Grounds of the RSLEC facility requiring treatment or medication and Show Management shall be notified. Treatment must be by a veterinarian, at the expense of the exhibitor.

Entry into the Show signifies compliance with all pharmaceutical, biologic and chemical withdrawal regulations. Before administering any products, consult with a veterinarian and follow label directions.

The United States Department of Agriculture Wholesome Meat Act applies to the sale of Market livestock sold during the Nevada Junior Livestock Show and Sale as follows:

- a. The use by non-veterinarians of animal drugs or other substances in any manner other than in accordance with the labeling approved by the FDA is a violation of Federal law.
- b. Any food animal must not exceed FDA/EPA/USDA/FSIS established tolerance for any foreign substance including drugs, pesticides, feed additives, or other chemicals.
- c. Violative results of residue testing are subject to investigation by USDA and FDA for prosecution.

- d. Any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.

Show Management reserves the right to conduct or require to be conducted a test on any animal for illegal substances or for substances exceeding established tolerances. If an animal or carcass is found to have contained illegal substances or substances exceeding established tolerances, the Board and Show Management have the right to impose appropriate penalties including, but not limited to, denial of monetary awards and recognition for Show associated contests or classes.

**If a carcass is condemned for any of the above reasons the exhibitor forfeits all rights to the sale proceeds.**

**If a carcass is condemned for any other reason the exhibitor must pay back the resale value of the animal, if requested by the buyer.**

### **Grievance Committee:**

The Grievance Committee will consist of three Board Members. The Grievance Committee serves to review grievances and render a final decision. Members must recuse themselves if personally associated with the grievance or people involved with the grievance. In this case, an alternate member will serve in their place.

### **Grievance Process:**

Only contestants are eligible to grieve.

All grievances will first go to Show Management who will convene the Grievance Committee.

All grievances must be made on the official Board approved Grievance Form that is available at the Show Office, a UNCE office, State FFA Office or on the NJLSB web page and accompanied by a deposit of \$50, which will be forfeited if the grievance is not sustained.

Grievances must state plainly the cause of complaint or appeal, with the specific charges and description of the facts and the rule violated.

All witnesses and their contact information must be provided with the grievance.

Committee rulings will be effective and binding through the remainder of the Show and until the next scheduled Board meeting.

Grievances and decisions made during the Show will be reviewed at the next regularly scheduled Board meeting.

Any dispute or question regarding rules and Show Management decisions must be in the form of a written protest signed by the exhibitor and presented to Show

Management within **two hours** of the time of the action or questioned incident. The grievance must include the resolution desired by the offended party.

## **JUDGES AND JUDGING**

### **Judges:**

Judges are selected for each species of livestock with the utmost care and, whenever possible, from persons of wide reputation. Judges are encouraged to give their reasons for decisions rendered. The object is to assist in the education of livestock producers concerning what constitutes a high quality animal. In order to familiarize Judges with Show rules, the Rule and Information Book will be mailed to Judges at least 2 weeks prior to the Show. Individuals judging the Show cannot officiate at county qualifying shows, clinics or demonstrations the same year. Recommendations for Judges can be made to the Board at any time and will be kept for future reference.

### **Behavior toward Judges and Judging:**

No person shall be allowed, under any circumstances, to interfere with the Judges during their adjudication or to offer any criticism of any exhibit. Any person, who attempts to interfere with the Judges in any such manner, whether verbally or otherwise, shall be excluded immediately from the judging ring and from competition. If it is ascertained an exhibitor has in any impolite and public manner taken exception to the finding of the Judge, the Board shall cancel all awards to said exhibitor and exclude him/her from further participation in the Show. Show Management reserves the right to remove any and all exhibits of such an exhibitor without being liable for any compensation.

An exhibitor may be required to explain the merits of his/her own display, exhibit or animal during its examination by the Judge, if so requested by the Judge.

The Judge's decision is final and cannot be protested.

## **AWARDS, PREMIUMS AND GENERAL CONTESTS**

### **Market Show:**

All Market species are placed using the Danish System of judging. According to Judges' decisions, in all classes, groups 1A or 1B will receive blue ribbons; those placed in groups 2A or 2B will receive red ribbons; and group 3 white ribbons. (See Beef, Market Goat, Sheep and Swine Rules for factors used in placing.) White ribbon animals will not be allowed to sell.

In addition to the Danish System of judging, first and second place winners will be chosen in each class. Champion and Reserve Champion Steer, Market Goat, Sheep, and Swine of the Show will be chosen from the top two animals of each weight class.

### **Feeder Show:**

The American System of judging will be used for all Feeder Shows. Ribbons will be awarded to eight (8) places. **Feeder animals are not eligible for Best Homegrown Market Animal or Best Bred and Owned Breeding Animal.**

### **Breeding Show:**

The American System of judging will be used for Breeding Show classes. Ribbons will be awarded to eight (8) places. Animals will be judged against breed standards and merits within the breed.

Classes may be combined or divided as numbers warrant at the discretion of the Judge and/or Show Management. A minimum of five (5) head is required for a separate class to be held.

**At least three exhibitors must be entered to make a separate division.**

All animals including pairs must be brought to the show ring to be judged.

Animals chosen first and second in their individual classes are eligible to compete for Champion and Reserve Champion.

Breed awards may be given for each species for the best animal of a given breed that receives a blue ribbon, if donors have requested and sponsored the award.

### **Showmanship Contest:**

Showmanship classes will be placed using the Danish System of judging. In addition to the Danish System, the American System of judging will be utilized for the top eight exhibitors.

## **LIVESTOCK SALE RULES**

The Sale is for Market animals ONLY.

### **2012- Live Release**

**Live release will be on a case-by-case basis. Buyers must declare that they are making a live purchase, at the time of sign up. No animal may be released until it is paid for. All live release animals must be off the grounds by 5:00 p.m., if not paid for, it will be sent to harvest.**

### **( Terminal Sale:**

THE NEVADA JUNIOR LIVESTOCK SHOW'S SALE IS A TERMINAL SALE. ALL MARKET ANIMALS SOLD THROUGH THE SALE MUST BE HARVESTED AND ENTERED IN CARCASS OF MERIT RECOGNITION (OR A CARCASS EVALUATION AS DESIGNATED BY THE BOARD AND SHOW MANAGEMENT). NO LIVE PICK UP OF MARKET ANIMALS SOLD THROUGH THE SALE WILL BE ALLOWED. )

### **Livestock Sale:**

Although not required to do so by statute, the Board sponsors a sale of exhibited Market livestock to the public as part of the Show. Sale rules are made and enforced by the Board as part of the Show rules. The purpose of this part of the Show is to help exhibitors bring their projects to a financially successful close.

Exhibitors are encouraged to have contacted potential buyers and invite them to the Sale or to provide bids for their animals.

**The Auctioneer's decision or update from the block/podium is final. The auctioneer will decide any arguments or changes and bid announced from the block/podium will be final.**

The Packers and Stockyard Act will govern the livestock sale.

### **Payment to Exhibitor:**

No check will be issued to the exhibitor until payment is received and has cleared the bank. Add-on recipients will receive their add-on with payment for sale of their animal.

### **Commission:**

A commission of seven percent of the sale price of each market animal (Market Goat, Sheep and Swine) sold may be deducted and retained to cover expenses of the Board for the purpose of partially defraying the cost of operating the Show and Sale. A commission of six percent of the sale price of each Market animal (Beef) sold may be deducted and retained to cover expenses of the Board for the purpose of partially defraying the cost of operating the Show and Sale. A commission of one and one half percent of the sale price of each Market animal (Market Goat, Sheep and Swine) sold may be deducted and retained for the Carcass of Merit Recognition award fund. A commission of one percent of the sale price of each Market animal (Beef) sold may be deducted and retained for the Carcass of Merit Recognition award fund.

### **Necropsy Policy:**

At the harvest facilities for the NJLS Sale regarding any pre-slaughter condemnation or accidental death of sale animals, the following shall apply. Because animals that die prior to harvest or are removed from the harvest process due to ante mortem inspection are not routinely necropsied by USDA, no cause of death is available to the Board. The State Veterinarian's Office has offered to provide necropsy services should such an event occur in the future. The Board will make any necessary arrangements with the State Veterinarian for necropsy and disposal. Prior to harvest a list of phone numbers of Board Members will be provided. We hope this will help to simplify any problems that may arise.

### **Eligibility to Sell:**

To be eligible for the Sale, Market animals must have qualified under all rules of the Show, including weight limits, and must have been exhibited in a Market class of the Show.

Animals awarded a white ribbon or sifted for other reasons prior to the Sale will not be sold.

### **Sale Order:**

Show Management will determine the order of the Sale. In general, blue ribbon Market animals will be sold starting with those placing highest in the Show followed by those placing progressively lower.

### **Obligation to Sell and Harvest:**

All qualifying and healthy Market animals entered in the Show must be sold in the Nevada Junior Livestock Show Sale. All Market animals sold through the Sale must be harvested at a designated harvest plant and entered in the Carcass Of Merit Recognition. An animal not entering the Sale ring in compliance with the Sale Order will be fined \$25.00 unless excused by the Show Management. It is the exhibitor's responsibility to be prepared to enter the Sale ring on time. Private Treaty sales are not allowed.

Exceptions can be granted to exhibitors who have a conflict with the time of the sale. These exceptions are for exhibitors to arrange to have another exhibitor walk the animal through the ring at sale time. The exhibitor must have a pre-arranged contract for the purchase of the animal. The exceptions will be given on a case-by-case basis and the exhibitors must apply for the exception by the March Meeting of the Board. Exceptions will only be entertained from exhibitors who have a conflict with another school-sanctioned event. At the show the Board will review family emergency exceptions.

### **Carcass Information:**

All Market animals will be eligible for Carcass of Merit Recognition. Carcass evaluation will be conducted according to Carcass of Merit Recognition standards. Carcass of Merit Recognition information will be available to the public after Carcass of Merit Recognition results have been calculated.

Carcass of Merit Recognition is contingent on the ability to collect data. Data will be collected based on access to carcasses.

### **Registration of Buyers:**

In order to assure proper and current information is obtained; buyers and potential buyers **must** register for a buyer's number at the Sale. A number will be assigned to each individual purchaser/or potential purchaser regardless of the number of animals or partial animals bought. **Buyer must notify the Show if they will be purchasing an animal for live release.**

### **Payment for Animals Purchased:**

Buyers are encouraged to pay for their animals at the Sale. Invoices will be mailed to buyers who are not able to pay at the Sale. Payment is due 30 days from the date of Sale. Use of credit cards will be provided for buyers' convenience. Any invoice not paid 60 days after the date of the Sale shall be charged a finance charge of 1.5% monthly until the account is satisfied. All legal options will be reserved to collect on delinquent accounts. Any attorney's fees and costs associated with collection are awardable. **Animals bought for live release must be paid for by 5:00 and removed from the grounds, or animal will be sent to harvest.**

### **Add-Ons:**

The minimum add-on is **\$25.00**.

All add-ons must be between a registered buyer (who has a buyer's number) and a Sale participant on a signed and properly filled out Purchase Order or Sale Add-On Contract (available at the Board Office, Show Office, or on the web page). A buyer only needs one buyer's number to bid during the Sale and add-on. Purchase Orders/Sale Add-On Contracts will be available before and during the Show up to thirty minutes after the Sale. Purchase Orders/Sale Add-On Contracts completed before the Sale are strongly encouraged.

The Board and Show Management will make every effort to announce add-ons completed before the Sale at the start of bidding on each exhibitor's animal.

There will be a separate add-on table at the Sale. Individuals/business wishing to add-on during (except as indicated) or after the Sale **must** go to this table. Buyer's numbers and Purchase Orders/Sale Add-On Contracts will be available at the add-on table. **Add-ons made during (except as indicated) or after the Sale will not be announced during the Sale**, the Board and Show Management will make every effort to display them. Add-ons will be accepted at the Show Office up to thirty minutes after the Sale. All add-ons must be paid within one hour of the close of the Sale, and can be done at the office. Show Management can approve exceptions. Add-ons will not be processed without a properly filled out Purchase Order/Sale Add-On Contract.

***If you have any questions about add-ons ask Show Management, Species Superintendents, Asst. Superintendents or Show staff. You are encouraged to ask questions before the Sale. It is the individual's/business's/buyer's responsibility to understand Add-On Rules.***

## **SCHOLARSHIP ANIMAL/S**

**Class 1**

## **BEEF SHOW RULES**

Females 24 months of age or over must be certified bred or have calved in the last 12 months.

### **Proper Training of Animals Required:**

All beef animals must be halter broken. The Judge or Show Management may disqualify animals not sufficiently gentle to be shown safely. Nose leads will not be used in steer or heifer classes.

Both neck ropes and halters are required for all beef animals while tied in stalls.

### **Dehorning:**

Market: No horns permitted. Steers must be properly dehorned or naturally polled to enter the Show.

Breeding: Horned Breeding animals must have horns properly trained for health and safety purposes.

Feeder: Steers must be properly dehorned or naturally polled to enter the Show.

### **Fitting:**

Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of any artificial coloring or substance added to the animal's body, as well as any grooming material that allows color to come off the animal. (Artificial color is acceptable on knees and below.) Any false tail switches, tail fins or false polls will not be allowed.

### **Placing of Beef:**

Placing of steers will be based upon the Danish system of judging as follows:

Group 1. (Blue Ribbon)

- a. Animals grading USDA Low Choice or better, having above average conformation and showing indications of yield grades 3 or better.
- b. Young animals grading USDA High Select with superior conformation.

Group 2. (Red Ribbon)

## **SWINE SHOW RULES**

All pigs must be weaned.

### **Garbage-Fed Hogs Excluded:**

Nevada Livestock Sanitary Regulations require no garbage-fed hogs be allowed in livestock shows.

### **Placing of Swine:**

Placing of swine will be on the Danish System of judging using a combination of finish (backfat), conformation and muscling as follows:

Group 1. (Blue Ribbon):

- a. U.S. No. 1 Hogs with above average conformation, quality and balance. Also indicating a high yield from the four lean cuts.

Group 2. (Red Ribbon):

- a. U.S. No. 1 Hogs with average or below average conformation and quality.
- b. U.S. No. 2 Hogs with above average conformation.

Group 3. (White Ribbon):

- a. U.S. No. 2 Hogs with below average conformation.
- b. U.S. No. 3 Hogs, U.S. No. 4 Hogs and Utility grades.

White ribbon animals will not sell through the Sale.

Backfat Classification:

U.S. No. 1 - Less than 1 inch

U.S. No. 2 - 1.00" to 1.24"

U.S. No. 3 - 1.25" to 1.49"

U.S. No. 4 - 1.50" and over

### **Market Hog Weight Limits:**

Market Animal	Minimum Show Weight	Maximum Pay Weight	Maximum Show Weight
Swine	210	265	285 (waived – 2012)

To qualify for entry in the Show, hogs must have a minimum weight of 210 pounds. Swine may exceed the pay weight of 265 pounds, but will be sold at the 265 pound weight. **Exhibitors will donate any extra poundage above the 265 pound limit to the buyer.**

Swine have an upper weight limit of 285 pounds; swine exceeding the upper weight limit may not show in the Market class. The exhibitor will be allowed to show in his/her Showmanship class. (If the swine is over 285 pounds it may be shown in an appropriate Breeding class.)

All hogs must be weighed on a **certified scale by a designated county official**, certified and ear-tagged between **February 15th and March 1st** of the year of the Show with an adjustment factor of 1.5 lbs. per day to equate the weight to March 1st. There will be no pencil shrink. Each FFA, 4-H, **Grange** and **Independent exhibitor** may weigh-in their hogs on one official weigh day only. Official weigh-in days will be determined by the FFA Advisor, UNCE Staff and/or **Grange Advisor**.

### **Market Hog Show Classes:**

Weight classes will be based upon scale weight of the animal. The weights for each of the classes will be set at the discretion of the Show Management.

## **JERRY HANSEN MEMORIAL RATE OF GAIN CONTEST**

During 1993 Jerry Hansen, the co-owner and publisher of the Nevada Rancher, succumbed to leukemia. Jerry was a tremendous supporter of youth with livestock interests. He could be depended on to support and promote youth activities throughout Nevada. Donations have been received to establish a Jerry Hansen Memorial Award at the Show. The Board deemed a contest that would encourage participants to learn more about livestock production appropriate. Hence beginning in 1994 the Board established an Average Daily Gain Contest for each species exhibited at the Show. This contest is designed to enhance the educational value of the program and encourage production standards that would be a positive learning experience for the young people. Rate of gain is a very important measurement in the industry of livestock production. Participants in this program should understand how rate of gain is measured and why it is important.

Contest Outline:

Market animals only.

Monetary awards will be presented for each species based on award donations.

All four species will be included.

Any participants in the Nevada Junior Livestock Show who provide the necessary information will be included in this Contest.

Necessary information that must be provided on the species eligibility form:

Birth date

Date of Certification

Initial weight

Beef must be weighed between Nov. 15 and Dec. 1 with an adjustment factor of 2.5 lbs. per day to equate the weight to Dec. 1.

Market Goats must be weighed between Feb. 15 and March 1 with an adjustment factor of 0.3 lb. per day to equate the weight to March 1.

Sheep must be weighed between Feb. 15 and March 1 with an adjustment factor of 0.7 lb. per day to equate the weight to March 1.

Swine must be weighed between Feb. 15 and March 1 with an adjustment factor of 1.5 lb. per day to equate the weight to March 1.

Beginning certification weight and weight taken at the Show will be used for official beginning and final weight.

All white ribbon animals are ineligible.

Weight per day of age will be used as a tiebreaker.

The FFA Advisor, UNCE/4-H Staff and/or Grange Advisor will determine official weigh-in days.

## **YOUTH ADVISORY COUNCIL**

The Nevada Junior Livestock Show Board established a Youth Advisory Council (YAC) in 1990. The council is comprised of exhibitors at the current Show. Past councils have provided valuable input incorporated into the planning of future Shows. The intent of the Board is this Council will be of and for youth involved in the Show. The youth will be the determining factors as to the direction and functions of the Council. The YAC is to provide a written report to the Board following the Show and Sale.

Council members must be willing and able to meet on a daily basis during the Show and if possible prior to the Show.

*The Board has two main objectives in forming this Council. They are:*

- To provide leadership opportunities for youth
- To obtain pertinent input from Show participants

*Responsibilities of the Council include:*

- Actively assist with Show and Sale operations
- Meeting on a daily basis during the Show
- (Lunch/Dinner) and refreshment hosts and servers
- Awards Presentation/Parade of Champions (must be in uniform)
- Serving as representatives of all exhibitors
- Serving as a liaison for exhibitors, the Board and other interested parties
- Develop a written report for the Board, to be turned in before the next Board Meeting
- Public Relations

*Requirements for application are as follows:*

- Must have entered the current year's Show
- Must have participated in at least one previous Nevada Junior Livestock Show
- Council members will serve a one-year term
- Submit a photo
- Must have completed all responsibilities of YAC from the previous year to be eligible for the current year

Look on the web page for an application or contact the Board Office.

# **AWARD OF EXCELLENCE IN LEADERSHIP**

As FFA, 4-H and Grange members are the leaders of tomorrow, the Show Board seeks to recognize excellence in Show participants. An excellent leader may be exuberant or a quiet, steady presence.

The Award of Excellence in Leadership must be applied for using the official Application from the Board Office (upon request) or from its web page. All scholarship applicants will automatically be entered in the Award of Excellence in Leadership.

Applications will illustrate qualities and activities through participation in school, FFA, 4-H, Grange, NJLS and/or community service/citizenship efforts at the community, county, state and national levels.

All interested exhibitors may apply.

## **RULES:**

1. Applicants should submit **three (3)** copies of the application (with summaries and question responses) and **three** copies of a letter of recommendation from one of the following: FFA Advisor, 4-H Leader, UNCE personnel or Grange Advisor. Materials should be submitted to the Board (**Physical Address: 405 South 21<sup>st</sup> Street, Sparks, NV 89432; Mailing Address: P.O. Box 8026, Reno, NV 89507**) Postmarked by **April 11**. See Award of Excellence in Leadership in the Nevada Junior Livestock Show Rules on its web page.
2. Award of Excellence in Leadership applications will be judged on a combination of leadership, showmanship and quality/condition of animal(s) shown at the current Show.
3. The Selection Committee will use materials presented by the applicant, conduct at the Show and participation as well as the letter of recommendation in its judging. Input from Board Members, Board Staff and/or Youth Advisory Council advisors may be sought.

## **SELECTION COMMITTEE JUDGING:**

Some, but not necessarily all applicants will be interviewed for these Scholarships prior to the Show. It is possible not all applicants interviewed will receive a Scholarship.

The Scholarship Committee shall have the discretion to address extenuating circumstances regarding applicants.

The amount and number of Scholarships to be determined based on funds available. Each Scholarship is a one-time award. Each Scholarship will be a minimum of \$500.00. For each Scholarship one half of the award will be distributed in each of two successive semesters or quarters, provided the below criteria are met.

## **Scholarship Requirements:**

Scholarship recipients may attend any accredited post-secondary institution (2-year, or 4-year college or university or trade/professional school).

For the initial scholarship disbursement, recipients must enroll within **22 months** of being awarded the scholarship and provide verification of full-time paid enrollment. (12 units or more for the first semester) and a transcript of their first semester college credits (with a minimum of GPA of 2.5 on a 4.0 scale to the Board, along with a receipt of class fees paid for that period.) All items submitted must have recipient's name on the documents; student I.D. numbers will not be accepted.

For the second disbursement, recipients must provide to the Board proof of full time enrollment (12 units or more for the second semester) and a transcript of their second semester college credits with a minimum GPA of 2.5 on a 4.0 scale to the Board, along with a receipt of class fees paid for that period. All items submitted must have recipient's name on the documents; student I.D. numbers will not be accepted.

Recipients failing to meet all Scholarship requirements will forfeit the award. Look on the web page for an Application or contact the Board Office.

## ADDENDUM

# RABBIT SHOW RULES

All meat pens and single fryers that qualify for the auction will be released live to buyers. Buyers will be responsible for the harvesting of the animal. Exhibitors are encouraged to help their buyers make arrangements after the sale.

Exhibitors MUST follow all general rules. Check rules for check-in.

Entry fee is \$20.00 for each entry.

Each exhibitor is allowed two market entries. E.g. two meat pens OR two market fryers OR one meat pen and one market fryer.

All rabbits must be born on or after 70 days before the first day of the current year's show. All rabbits entered must be tattooed to be eligible to be shown. This tattoo must be entered on the entry form and verified during check in.

Rabbits will be disqualified at the judge's discretion.

Official weight shall be the weight established at show weigh in.

### Single Fryer:

Single Fryer consists of one rabbit, minimum weight of 3 pounds and a maximum weight of 5 pounds. This class allows crossbred rabbits.

### Rabbit Meat Pens:

Meat pens shall consist of three (3) rabbits, a meat pen does not necessarily have to come from the same litter. Individual rabbits cannot weigh under 3 pounds or over 5 pounds. If any one rabbit in the pen is overweight or underweight, the entire pen becomes disqualified. If one rabbit is disqualified from competition for any reason, the entire pen is disqualified.
