BEYOND *the* HUB

Improving the availability of nutritious foods on Newe (Shoshone) and Numu (Paiute) American Indian Reservations in Northern Nevada

University of Nevada
Cooperative Extension

About the Program

Beyond the Hub is a pilot project that seeks to improve the availability of nutritious food on Newe (Shoshone) and Numu (Paiute) American Indian Reservations in Northern Nevada. Project emphasis will focus on the availability of fresh fruits and vegetables. Guided by community participants the project will lead to greater understanding of the current situation and identify community assets and ways they can be brought to bear to improve reservation nutrition and health.

To register, please contact:

Jennifer Kintz
UNCE, Mineral County, P.O. Box 810, Hawthorne, NV 89415
Phone: 775-945-3444, Ext.12, email: kintzj@unce.unr.edu

Scholarships for two participants per reservation are available. Scholarships include travel, lodging, meals and registration. Registration must be completed by September 4, 2013 to be reimbursed by October 3.

Non-scholarship registration is $80; includes meals and materials.

For additional program information or persons in need of special assistance please contact:

Randy Emm, Nevada FRTREP
Walker River Reservation Schurz, Nevada
Phone: 775-316-1184 or email: emmr@unce.unr.edu
