Application for Nursery Stock Dealer License Fee Waiver

Plant Industry Division

Nevada Department of Agriculture

This fee waiver application request must be notarized (NRS 555.236(2)(b)).

All businesses, including landscapers and general contractors, may qualify for a fee waiver if one of the following criteria is met.

Minimal Sales

❒ My business has less than $1,000 in gross annual sales of nursery stock. **I understand that if my gross sales increase above that amount, I am required to obtain a nursery stock dealer license and submit the full license fee.** I further understand that "nursery stock" means a plant for planting, propagation or ornamentation, and includes, without limitation, parts of plants, trees, shrubs, vines, vegetable plants, bulbs, stolons, tubers, corms, pips, rhizomes, scions, buds and grafts. I am aware that if my business has more than $1,000 in gross sales of nursery stock and I fail to obtain a nursery stock dealer license, I am subject to fines of up to $1,000 *per violation* (NAC 555.118).

No Sales

❒ I do NOT sell, hold, handle or otherwise provide *any* nursery stock to my customers. I understand that failure to obtain a nursery stock dealer license before offering nursery stock to my clients is a misdemeanor and can result in fines of up to $1,000 per violation per day (NAC 555.118). I further understand that "nursery stock" means a plant for planting, propagation or ornamentation and includes, without limitation, parts of plants, trees, shrubs, vines, vegetable plants, bulbs, stolons, tubers, corms, pips, rhizomes, scions, buds and grafts.
