

Application for Certified Garlic Seed

Division of Plant Health & Compliance

The following form is used to apply for GARLIC seed certification within the state of Nevada. Certified seed garlic must meet standards set forth within the [Nevada Administrative Code, Chapter 587.640-810](#). When filing this form with the Nevada Department of Agriculture, ensure that all regulatory requirements are reviewed. In addition to filing this application with the Department, the applicant must also submit an “Allium Registration Form.”

NOTICE: The Nevada Department of Agriculture (NDA) requires an email address for business communications and notice of important industry updates. By providing your email address, you agree to receive communications from the NDA.

Select here if you do NOT want to receive industry updates and notice of items that could impact your business.

INSTRUCTIONS

1. Submit application form by the following date:

Certified Garlic Seed: February 15th

2. Complete and submit an “Allium Registration Form” with this application, if you haven’t already done so.

3. Enclose a detailed field map with the application packet

4. Ensure that form is signed and filled out completely prior to submission

5. Submit application via email to: rwilhelm@agri.nv.gov or via mail to:

Nevada Department of Agriculture
Attn: Seed Program
405 South 21st Street
Sparks, NV 89431

6. An invoice will be compiled and sent to applicant after the registration form has been processed and all documents have been filed for the given crop year. Fees for each crop type are provided below:

Crop	Price/Acre
Foundation Block	\$55.00
Nursery Increase Block	\$55.00
Certified Block	\$12.00
Stem & Bulb Nematode Sampling (Optional for certified block)	\$17.00

7. You will be contacted by a Department representative to schedule a field inspection after the application form has been fully processed.
