### Policy/Procedure Acknowledgment

I, \_\_\_\_\_, declare under penalty of perjury that the provided information is true and correct and that I am the owner or person with legal control of and authority to bind, the herein named applicant, and that I have read and understand all conditions and obligations stated herein. I accept all liability associated with the production of industrial hemp and accept all responsibilities associated with production. I understand and agree:

that a registration cannot be transferred or assigned to another business, individual, or entity.

*Initials*

that all industrial hemp plant material shall be planted, harvested, and processed within the allotted period after certification has been issued. The Department must be notified if material, propagative or not, is still present after the permit period has ended. Permits expire on December 31 of each year.

*Initials*

that each noncontiguous land unit, with which industrial hemp shall be grown, will be associated with a separate application. Any additional acreage or square footage will be associated with a separate application.

*Initials*

that no registered land area may contain *Cannabis spp.* plants or parts thereof that the registrant knows or, has a reason to know, are of a variety that will produce a THC content greater than 0.3% on a dry weight basis, unless otherwise approved of by the Department of Agriculture. No registrant shall use any such variety that is known to produce THC concentration levels above 0.3% on a dry weight basis.

*Initials*

to allow any and all inspections/sampling that NDA deems necessary in order to preserve the integrity of the research/development project. Plant parts collected for THC concentration analysis will be the segments containing the highest THC concentrations.

*Initials*

to pay for costs on the oversight of this program. Payment must be submitted within 30 days after invoicing.

*Initials*

that THC concentrations for industrial hemp are declared to be under or equal to 0.3% on a dry weight basis.

*Initials*

that any information provided to NDA can be utilized for public disclosure and be provided to law enforcement agencies without further notice to the registrant.

*Initials*

that NDA only authorizes the use of certified hemp seed for R&D production purposes, unless otherwise approved.

*Initials*

that it is illegal under federal law to possess viable hemp seed in Nevada unless it is for use in an authorized research trial.

*Initials*

any operations proposed to use land that is not owned by the applicant must be accompanied by a signed, notarized affidavit from the legal owner of the land consenting to approval.

*Initials*

alterations of any kind to this application, excluding sections 1 and 2, will require a \$500.00 amendment fee. Application details must stay consistent with all production features always.

*Initials*

that applicant is in good standing with state and federal programs and does not have any outstanding payments or any unresolved non-compliances.

*Initials*

that applicant has acquired appropriate water rights for agricultural production.

*Initials*

that prior to any harvest a harvest report must be submitted a minimum of 15 days before that harvest.
