Policy/Procedure Acknowledgment

I, _____, declare under penalty of perjury that the provided information is true and correct and that I am the owner or person with legal control of and authority to bind, the herein named applicant, and that I have read and understand all conditions and obligations stated herein. I accept all liability associated with the production of industrial hemp and accept all responsibilities associated with production. I understand and agree:

_____ that a registration cannot be transferred or assigned to another business, individual, or entity.

Initials

_____ that all hemp plant material shall be planted, harvested, and processed within the allotted period after certification has been issued. The Department must be notified if material, propagative or not, is still present after the permit period has ended. Permits expire on December 31 of each year.

Initials

_____ that each noncontiguous land unit, with which hemp shall be grown, will be associated with a separate application. Any additional acreage or square footage will be associated with a separate application.

Initials

_____ that no registered land area may contain *Cannabis spp.* plants or parts thereof that the registrant knows or, has a reason to know, are of a variety that will produce a THC content greater than 0.3% on a dry weight basis, unless otherwise approved of by the Department of Agriculture. No registrant shall use any such variety that is known to produce THC concentration levels above 0.3% on a dry weight basis.

Initials

_____ to allow any and all inspections/sampling that NDA deems necessary in order to preserve the integrity of the research/development project. Plant parts collected for THC concentration analysis will be the segments containing the highest THC concentrations.

Initials
