Product manufacturing explained

Use the area on this section of the form to provide a detailed explanation of the intended processing of raw hemp. Include equipment and solvents intended to be used if applicable (attach additional pages, if needed). Do not include products or processes that do not involve the processing of raw hemp:

 I hereby declare that all the above information is accurate and my intentions shall not stray from intended purposes. If handling objectives prove to be unachievable I may alter objectives, with NDA approval, otherwise my certification status will be terminated and appropriate legal action may occur.

Would you like your contact information (Operation name, county, city, e-mail) listed on the Nevada Department of Agriculture’s website for potential buyers, industry stakeholders, etc.?

Yes No

Disclaimer: NO changes to this application may be made without NDA approval and a new application submitted.

Policy/procedure acknowledgement

I, _____, declare under penalty of perjury that the provided information is true and correct and that I am the owner or person with legal control of and authority to bind, the herein named applicant, and that I have read and understand all the conditions and obligations stated herein. I accept all liability associated with the handling of industrial hemp and will accept all responsibilities associated with that handling. I understand and agree:

_____ that a registration cannot be transferred or assigned to another business, individual, or entity and that a
Initials registration is valid from date of issuance until December 31 of the issued year.

_____ that all industrial hemp plant material shall be handled and processed within the allotted period of 1 year after
Initials certification has been issued. The Department must be notified if material, is still present after the 1-year period has ended. I will submit a renewal application prior to the expiration of an active registration if I intend on continually handling hemp.

_____ that each facility, with which hemp shall be handled, will be associated with a separate application.
Initials

_____ that no registered handler may handle *Cannabis ssp.* plants or parts thereof that the registrant knows or, has a
Initials reason to know, are of a variety that will produce a THC content greater than 0.3% on a dry weight basis, unless otherwise approved to do so by the Nevada Department of Taxation Marijuana Program.

_____ to pay for all costs for the oversight of this program. Payment must be submitted within 30 days after
Initials invoicing.

_____ that THC concentrations for industrial hemp are declared to be under or equal to 0.3% on a dry weight basis.
Initials

_____ that any information provided to NDA can be utilized for public disclosure and be provided to law
Initials enforcement agencies without further notice to the registrant.

_____ that NDA explicitly authorizes the use of registered hemp for handling purposes, unless otherwise approved.
Initials Hemp intended for processing must have been grown by a Department of Agriculture certified grower or seed producer and handler is responsible for maintaining appropriate documentation.

_____ that alterations of any kind to this application, excluding sections 1 and 2, will require a \$250.00 amendment
Initials fee. Application details must stay consistent with all production features always.

_____ that in the event of a theft or loss of usable industrial hemp plant material, compounds derived from or
Initials commodities or products produced from hemp local law enforcement and the Nevada Department of Agriculture must be notified.

_____ that applicant is in good standing with state and federal programs and does not have any outstanding
Initials payments or any unresolved non-compliances.

_____ that the operation is responsible for ensuring applicable and appropriate safe handling measures are taken to
Initials protect public health.

Application instructions

- Please file a separate application per facility location. It is possible to file multiple applications under one comprehensive payment for all locations, if the applicant intends to manage multiple handling facilities.
- When submitting this application, please ensure all information provided is accurate and current. Modification of a submitted application will require a \$250.00 amendment fee.
- It is the responsibility of each approved handling facility to follow safety guidelines involved with each manufactured product. Please refer to Nevada Administrative Code chapter 557 for testing requirements.
- All regulations related to the manufacturing of products apply to handling facilities, especially those manufacturing products intended for human consumption.
- Registration as a handler expires on December 31 of each year and may be renewed upon submission of an applications for renewal.

Hemp Handler Application
Plant Industry Division

In signing this document, the applicant agrees to abide by all laws governing hemp within the state of Nevada. Handling industrial hemp material should be done so in a manner that is consistent with Nevada Revised Statute, Chapter 557, Nevada Administrative Code, Chapter 557, and the 2014 Federal Farm Bill, Section 7606.
