Research Intentions:

Intended Focus for Academic and Agricultural Research:

Check any of the following that are relevant to your interests with industrial hemp R&D:

- Animal Bedding, Biofuel, Hemp Oil Extraction, Cosmetic/Beauty, Cultivars, Dietary Supplement, DNA Sequencing/Genetics, Compost, Fiber, Food/Drink Additive, Hempcrete, Insulation, Phytoremediation, Seed Stock, Undisclosed, Other, Please Explain:

Research Intentions Explained:

Use the remaining area on this section of the form to formulate a detailed explanation of research objectives. (attach a second page, if needed)

Multiple horizontal lines for writing research intentions explained.

Notice: NO change to this entire application can be made without NDA approval and a new application.

I hereby declare that all of the above information is accurate and my intentions shall not stray from intended purposes. If research objectives prove to be unachievable I may alter objectives, with NDA approval, in a manner that is determined to be fit for the R&D program, otherwise my certification status will be terminated and the associated hemp crop will be destroyed.

Policy/Procedure Acknowledgement

I, \_\_\_\_\_, declare under penalty of perjury that the provided information is true and correct and that I am the owner or person with legal control of and authority to bind, the herein named applicant, and that I have read and understand all of the conditions and obligations stated herein. I accept all liability associated with the production of industrial hemp and will accept all responsibilities associated with that production. I understand and agree:

\_\_\_\_\_ That a registration cannot be transferred or assigned to another business, individual, or entity and that a registration is
Initials valid for 1 year from the date of issuance.

\_\_\_\_\_ That all industrial hemp plant material shall be planted, harvested, and processed within the allotted time period of 1
Initials year after certification has been issued. The Department must be notified if material, propagative or not, is still pre
sent after the 1 year period has ended.

\_\_\_\_\_ That each noncontiguous land unit, with which industrial hemp shall be grown, will be associated with a separate
Initials application. Any additional acreage or square footage will be associated with a separate application.

\_\_\_\_\_ That no registered land area may contain Cannabis spp. plants or parts thereof that the registrant knows or, has a
Initials reason to know, are of a variety that will produce a THC content greater than 0.3% on a dry weight basis, unless
otherwise approved of by the Department. No registrant shall use any such variety that is known to produce THC
concentration levels above 0.3% on a dry weight basis.

\_\_\_\_\_ To allow any and all inspections/sampling that NDA deems necessary in order to preserve the integrity of the
Initials research/development project. Plant parts collected for THC concentration analysis will be the segments containing
the highest THC concentrations. Sample test results that are greater than 1.0% THC on a dry weight basis may be
submitted to the appropriate authorities for review.

\_\_\_\_\_ To pay for any and all costs for the oversight of this program. Payment must be submitted within 30 days after
Initials invoicing.

\_\_\_\_\_ That THC concentrations for industrial hemp are declared to be under or equal to 0.3% on a dry weight basis.
Initials

\_\_\_\_\_ That any information provided to NDA can be utilized for public disclosure and be provided to law enforcement
Initials agencies without further notice to the registrant.

\_\_\_\_\_ That NDA only authorizes the use of certified hemp seed for R&D production purposes.
Initials

\_\_\_\_\_ That it is illegal under federal law to possess viable hemp seed in Nevada unless it is for use in an authorized research
Initials trial.

\_\_\_\_\_ Any operations proposed to use land that is not owned by the applicant must be accompanied by a signed, notarized
Initials affidavit from the legal owner of the land consenting to approval.

\_\_\_\_\_ Alterations of any kind to this application, excluding sections 1 and 2, will require a \$500.00 amendment fee.
Initials Application details must stay consistent with all production features at all times.

Industrial Hemp Materials Order Form

Utilize this form to indicate the source of industrial hemp material (Seed, Clones, etc.)
A separate form needs to be filled out for each individual variety requested.

Name of Seed Requester: Approximate planting date:

Previously certified industrial hemp producer: Yes No
If yes, provide associated certification number:

Desired Seed characteristics:

If known, specific variety desired:

Name of varietal dealer:

Dealer Information: Country: Address: City: State Point of Contact: Phone: Email:

If not known, List out specific seed attributes that would be desired for best research results:

Quantity Details:

Total area to be in production: Material (seed, clones, etc.) quantity desired: Price of material (if known): \$

In addition to the price of material, \$1.00/lb. must be added.

After receiving this form from each approved applicant, the NDA will combine the seed orders where possible to obtain the best price and the lowest delivery costs. After obtaining a price quotation from the seed supplier(s), the NDA will confirm the purchase of seed with each applicant wishing to participate in that order. Any variation in the seed price as delivered, will be handled by refund or invoicing as necessary.
