

ADL Fee Schedule and Laboratory Policy effective July 1st, 2013

Fees and Test Results: Laboratory services will be billed to the client submitting the samples, no third party billing. Test results are made available to the submitting client. Fees are subject to change without notice.

Shipped specimen: The shipper is responsible for shipping costs as well as adherence to mailing and shipping regulations.

Turn around times refer to business days only. Turn around times are average or minimum days required for test completion.

STAT fees for procedures are \$25 per test other than EIA ELISAs and are added to the listed test price.

Please call the ADL front desk at 775-353-3718 with questions regarding fees, tests and policies.

Unless indicated, most tests are set up the day the samples arrive in the laboratory. Specific tests are run only on the days indicated.

Brucellosis, EIA and TB test requests must be submitted on official VS forms. The forms must bear an original signature by the submitting veterinarian.

Samples should be submitted on an ADL submission form (available on the website

<http://agri.staging.nv.gov/uploadedFiles/agrinvgov/Content/Resources/Forms/Animal/LaboratorySubmissionForm.pdf>)
