

# PROPOSED REGULATION OF THE NEVADA DEPARTMENT OF AGRICULTURE

LCB File No. R026-15

DEPARTMENT OF PLANT INDUSTRY

## NOTICE OF INTENT TO ACT UPON A REGULATION And NOTICE OF HEARING FOR THE ADOPTION OF REGULATIONS

The Nevada Department of Agriculture will hold a public hearing on Monday, September 21, 2015 at 10am at Agriculture Headquarters, 405 South 21<sup>st</sup> Street, Sparks, NV 89431; Phone: (775) 353-3601. The purpose of the hearing is to receive comments from all interested persons regarding the Amendment of regulations that pertain to chapter 554 of the Nevada Administrative Code. The proposal has been designated as File No. R029-15 by the Nevada Legislative Counsel Bureau.

The following information is provided pursuant to the requirements of NRS 233B.0603:

The purpose is to solicit public comments from interested persons on the following proposed regulation: NAC 554.055, .730, .765, .769, .910, and .920.; *a regulation relating to agriculture; revising certain references to the address of the State Department of Agriculture; revising provisions relating to the quarantine against potato late blight; clarifying provisions relating to white rot fungus; and providing other matters properly relating thereto.*

1. The purpose of this amendment is to correct and clarify scientific names, and to update Departmental addresses.
2. Current regulation uses an antiquated scientific name for the tomato genus, and refers to white rot disease fungus with inconsistent terminology; the department address is incorrect. This regulation change proposes to correct these deficiencies.
3. There are no short term or long term economic impacts of this regulation change.
4. There is no cost of enforcement to the department because of this regulation change.
5. There is no duplication or overlap of the proposed regulation change with any regulation of other state, federal or local governmental agencies.
6. The regulation change is not required pursuant to federal law.
7. The regulation change is not more stringent than any federal regulation that regulates the same activity.
8. The proposed regulation change does not establish a new fee or increase an existing fee.

A concerted effort was made to determine the impact of the proposed regulation on small businesses. Division administration staff determined that this regulation change will not have an effect on small businesses.

The LCB approved revision can be found on the Nevada Department of Agriculture website at [www.agri.nv.gov](http://www.agri.nv.gov).
