Dear Ms. Tsutahara:

Thank you for your patience as we worked through the documents from the Administrative Review and Procurement Review of the National School Lunch Program (NSLP), School Breakfast Program (SBP) in the Cristo Rey St. Viator from March 30th, 2022 until March 31st, 2022.

As there were no findings requiring corrective action, the Administrative Review and Procurement Review are now closed.

Thank you again for your continued efforts to provide nutritious meals to the youth in the Cristo Rey St. Viator.

Sincerely,

A handwritten signature in blue ink that reads "Brittany Mally".
