NRS 387.114 - Breakfast after the Bell

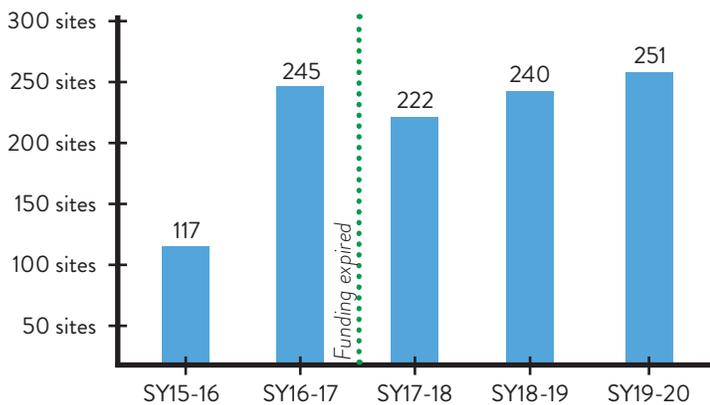

2019-2020 School Year Final Report

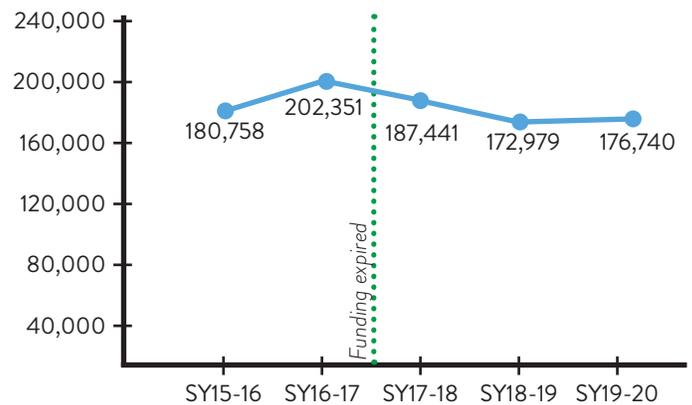

Signed into law by Governor Brian Sandoval in 2015, Nevada Revised Statute (NRS) 387.114, also known as Breakfast after the Bell (BAB), required all Nevada schools with 70 percent or greater free/reduced lunch eligibility implement an option for students to have access to breakfast after the start of the school day. The bill also set aside \$2 million in grant money to assist in implementation over two years, from 2015-2017. Since school year (SY) 2017, implementation costs are absorbed by the School Food Authority for all new and existing eligible schools.
