EXPLANATION – Matter in *italics* is new; matter in brackets [omitted-material] is material to be omitted.

AUTHORITY: §1, NRS 561.153.

A REGULATION relating to the State Department of Agriculture procedures; providing that the Director of the Department may require that certain transactions with or payments to the Department be conducted or made through the Internet website of the Department; providing for a waiver of such a requirement in certain circumstances; and providing other matters properly relating thereto.

may be granted if the Director or his or her designee determines that:
