ABOUT THE NEVADA CRAFT BEVERAGE PASSPORT

The Nevada Department of Agriculture (NDA) and Made in Nevada (MIN) have collaborated to establish the Nevada Craft Beverage Passport. Offered as a printed or printable digital booklet, this is your guide to a fun, educational and rewarding time exploring Nevada's finest craft beverage establishments. To get your printable digital passport go to agri.nv.gov/passport.

The passport contains detailed maps to better assist you in planning your visits to participating distilleries, breweries and wineries statewide. Each participating establishment has their own page in the passport, and when you visit one, they will stamp and date their page, some may even have a special incentive for you! A visit to a location counts as one stamp. The more locations you visit, the bigger the prize. Visiting the same location multiple times cannot be redeemed for more than one stamp.

Stamps for the 2025 passport can only be collected through Dec. 31, 2025. To redeem your passport for a prize, the Nevada Craft Beverage Passport Identification information (page 2) must be completed. Passports will be mailed back to participants with their prizes. Passports must be postmarked by Jan. 5, 2026 and mailed to:

Nevada Department of Agriculture
ATTN: NV Bev. Passport
405 S. 21st Street
Sparks, NV 89431

ABOUT THE NEVADA CRAFT BEVERAGE PASSPORT

Stamp responsibly

As you stamp your way through the Nevada Craft Beverage Passport, please drink responsibly. All participants must be at least 21 years of age, confirmed with a valid photo ID. Make a plan for responsibly drinking by assigning a designated driver or using a rideshare program.

Establishments participating in the Nevada Craft Beverage Passport have the right to refuse service to anyone at their discretion.

Participation in the passport program constitutes participant's full and unconditional agreement to and acceptance of the rules and guidelines. Participants release and hold harmless the State of Nevada, and its Governor, agencies, administrators, directors, officers, employees, agents, lawyers, professional advisors, promotional and marketing agencies and advisors and sponsors, from any and all liability for any injuries, loss or damage of any kind arising from or in connection with the participation or receipt or use of any prize.

By entering this program, participants confirm that they have read and understood the rules. This program is subject to all federal, state and municipal laws and regulations. All taxes, fees, surcharges on gifts, prizes and gratuities are the sole responsibility of the recipient(s).

kingsnakebrewing.com | 775-297-8331

Here at Kingsnake Brewing, full flavor, delicate balance, texture and aroma combine to make beer an infinitely complex and thoroughly enjoyable experience. Each of our beers is meticulously hand crafted in small batches using the finest ingredients. High quality malted barley is the source of the beer's sweetness and body. Select American hops are used to balance the malt sweetness, and at times to add special flavors and aromas to the beer.

MINDEN MILL

DISTILLING™

Minden Mill Distilling Tasting Room offers a range of exceptional beverages for guests to enjoy at our historic campus. With a state-of-the-art distillery, craft cocktails, and premium wine selections, visitors can revel in breathtaking views of the Carson Valley and the eastern slope of the Sierra Nevada mountains. Our Estate Mission: Nestled in the foothills of the Sierra Nevada Mountains with the pioneering spirit of the West. Our ultra-premium spirits are made from locally sourced, sustainable grains grown right here in the Nevada High Desert. Exploring the Land: The Sierra Nevada Mountains are at the core of our identity. From the high Sierra snowpack, to the piñon pine forests, to the crops that thrive in this High Desert environment, we are inspired by the life and the experiences we have in this land. Innovation: We embrace the techniques of the old world masters, and employ new technologies that keep our operations safe, scientific, efficient, and sustainable.
