The Nevada Junior Livestock Show (NJLS) has a long and proud history of supporting youth across Nevada as they develop responsibility, confidence, and lifelong skills through hands-on livestock projects. Each year, exhibitors dedicate countless hours to raising, caring for, and preparing their animals for the show. Their hard work culminates in the annual Nevada Junior Livestock Show, where they demonstrate their knowledge, showcase their animals, and receive valuable feedback from experienced judges.

This event is far more than a competition. It teaches youth essential skills such as animal husbandry, financial management, record-keeping, sportsmanship, and leadership. Exhibitors maintain detailed project records, track expenses, and document the health and progress of their animals — experiences that prepare them for future careers and responsibilities both within and beyond agriculture.

Your support and generosity are a vital part of ensuring the continued success of this long-standing Nevada tradition. Contributions help fund awards, secure qualified judges, maintain show facilities, and provide a high-quality experience for every participant. Every dollar donated goes directly toward supporting the Nevada Junior Livestock Show and the youth who work so hard to be part of it.

To meet printing and recognition deadlines, donor information must be received by April 15, 2026.

We invite you to join us in making the Nevada Jr Livestock Show even better. If you have any questions, please don't hesitate to reach out to the NJLS Board at NJLSB@agri.nv.gov

Thank you,

Nevada Jr Livestock Show Board
