

To the Nevada Junior Livestock Board:

I am responding to the job opportunity listed on your web site for a photographer for the 2017 Nevada Junior Livestock Show.

I started doing photography in high school and while I have taken a few classes I am mostly self taught. Professionally I do family portraits, senior portraits, private parties, weddings, landscapes and wildlife. Special events include rodeos, prior Nevada Junior Livestock shows, horse shows, and dog agility shows, to name a few. I was an exhibitor for two years in a row in the Eagles and Ag Opening Reception and Photography Exhibit being held in Carson Valley.

A selection of my work is available upon request.

My bid for the weekend of the Nevada Junior Livestock Show is \$1100.00. I understand that I need to meet specific deadlines in getting the photos back to the designated Nevada Junior Livestock Show contact. I am also open to any special/extra photographic requests that may come up during the course of the weekend.

Thank you for your consideration.
