PROPOSED REGULATION OF THE DIRECTOR OF THE STATE DEPARTMENT OF AGRICULTURE

Notice of Workshop for Regulations of the Nevada Department of Agriculture

The following information is provided pursuant to the requirements of NAC 571.030

The Nevada Department of Agriculture will be conducting a workshop on **(DATE AND TIME)** regarding the proposed regulation change.

The purpose of the proposed amendment to NAC 571.030 is to benefit Nevada Department of Agriculture staff and small businesses by ensuring the health of all equine transported to Nevada prevent the spread of communicable diseases.

For details and additional updates and changes as suggested during the workshop process please contact:

Nevada Department of Agriculture
405 S. 21st Street
Sparks, NV 89431
775-353-3601
m-campbell@agri.nv.gov

Modification of this regulation will reduce contamination and transfer of disease from state to state.

The immediate and long term effect **ensures a preventative method for any potential risk of contamination of equine and other animal diseases, and**

This amendment will impose no additional cost to small business.

There will be no additional cost to the Nevada Department of Agriculture for enforcement of the proposed regulation.

The proposed regulation will not overlap or duplicate any regulations set by federal, state or local government agencies.

The proposed regulation is not required by federal law.

The proposed regulation does not include any provisions more stringent than a federal regulation that regulates the same activity.

Written submissions must be received by the Nevada Department of Agriculture on or before **(DATE OF WORKSHOP)**. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Nevada Department of Agriculture may proceed immediately to act upon any written submissions.
