1. The Director may issue special permits in the following specific instances:

(a) Horse permit: The Director may make available an annual or lifetime permit for the movement of any horse that may be used in lieu of a brand inspection if the permittee:

(1) Completes an application on a form provided by the Department; and

(2) Pays for each horse:

(I) A fee of \$25 for an annual permit; or

(II) A fee of \$50 for a lifetime permit.

(b) Livestock movement permit: The Director may issue a permit for the movement of livestock within this State. A livestock movement permit may be used to move livestock that have been branded with the brand of the permittee recorded with the Department pursuant to [chapter 564](#) of NRS but have not been inspected by a brand inspector. A livestock movement permit is required for the movement of branded livestock across the boundaries of a district unless the livestock have been inspected by a brand inspector. Before moving livestock pursuant to a livestock movement permit, the permittee shall complete a statement on a form provided by the Department that includes, without limitation, the number of livestock being moved, a description of the livestock being moved, the brands and markings of the livestock being moved, and the destination of the livestock being moved. The permittee shall carry a copy of the completed form during the movement of the livestock. **Not more than 10 days after the movement of the livestock is completed, the permittee shall submit a copy of the completed form to the Department.** A livestock movement permit is not valid for:

(1) The transportation of livestock across the boundaries of this State;

(2) Proof or change of ownership;

(3) Slaughter;

(4) The transportation of unbranded livestock, except unbranded calves and foals traveling as pairs or accompanied by proof of brand inspection or other proof of ownership;

(5) The transportation of calves with brands that are not healed and peeled; or

(6) Except as otherwise provided in subparagraph (4), any cattle not branded with the brand of the permittee recorded with the Department pursuant to [chapter 564](#) of NRS.

2. The State Board of Agriculture shall establish a reasonable fee for the issuance of a special permit and shall post the amount of the fee on the Internet website maintained by the Department.

3. The Director may revoke a special permit specified in this section if the permit is used for a purpose other than the purpose for which it is issued.

My signature acknowledges that I have read the above NAC 565.220 and any violation will result in the suspension of this privilege. Further, should my livestock come under a quarantine or hold order, this permit will be surrendered.
