

# NEVADA SCHOOL WELLNESS POLICY SURVEY RESULTS

Nevada Department of Agriculture

The updated school wellness policy represents a step forward in prioritizing the health and well-being of Nevada students. By integrating the latest nutritional guidelines and best practices in nutrition and physical activity. This policy aims to create a supportive environment that fosters healthy habits and enhances learning outcomes. Key updates include comprehensive guidelines for nutritious school meals, ensuring that students have access to balanced options that promote optimal growth and development, changes to allowable beverages and new allowances for fundraiser exemptions.

## RESULTS FROM SEPTEMBER 2024 SURVEY

**Does this policy fit the needs of your student(s)?**

**Are the expectations of the School Wellness Policy clear?**

**Fundraiser exemptions may be allowed if it is a part of a curriculum-based activity. These exemptions must be submitted for prior approval according to Local Education Agency policy. Does this policy change fit the needs of students?**

**Does the policy change to allow non-soda carbonated beverages fit the need of students?**
