Nevada Department of Agriculture

***This fee waiver application request must be notarized (NRS 555.236(2)(b)).***

All businesses, including landscapers and general contractors, may qualify for a fee waiver if one of the following criteria is met.

**Minimal Sales**

❒ My business has less than $1,000 in gross annual sales of nursery stock. **I understand that if my gross sales increase above that amount, I am required to obtain a nursery stock dealer license and submit the full license fee.** I further understand that "nursery stock" means a plant for planting, propagation or ornamentation, and includes, without limitation, parts of plants, trees, shrubs, vines, vegetable plants, bulbs, stolons, tubers, corms, pips, rhizomes, scions, buds and grafts. I am aware that if my business has more than $1,000 in gross sales of nursery stock and I fail to obtain a nursery stock dealer license, I am subject to fines of up to $1,000 *per violation* (NAC 555.118).

**No Sales**

❒ I do NOT sell, hold, handle or otherwise provide *any* nursery stock to my customers. I understand that failure to obtain a nursery stock dealer license before offering nursery stock to my clients is a misdemeanor and can result in fines of up to $1,000 per violation per day (NAC 555.118). I further understand that "nursery stock" means a plant for planting, propagation or ornamentation and includes, without limitation, parts of plants, trees, shrubs, vines, vegetable plants, bulbs, stolons, tubers, corms, pips, rhizomes, scions, buds and grafts.
