ABOUT THE NEVADA CRAFT BEVERAGE PASSPORT

The Nevada Department of Agriculture (NDA) and Made in Nevada (MIN) have collaborated to establish the Nevada Craft Beverage Passport. Offered as a printed or printable digital booklet, this is your guide to a fun, educational and rewarding time exploring Nevada's finest craft beverage establishments. The passport contains detailed maps to better assist you in planning your visits to participating distilleries, breweries and wineries statewide. Each participating establishment has their own page in the passport, and when you visit one, they will stamp and date their page, some may even have a special incentive for you! A visit to a location counts as one stamp. The more locations you visit, the bigger the prize. Visiting the same location multiple times cannot be redeemed for more than one stamp.

Stamps for the 2022 passport can only be collected through Dec. 31, 2022. To redeem your passport for a prize, the Nevada Craft Beverage Passport Identification information (page 2) must be completed. Passports will be mailed back to participants with their prizes. Passports must be postmarked by Jan. 5, 2023 and mailed to:
