

## Allium Crop Registration Form

### Plant Industry Division

The following form is used to register Allium (Garlic, Onion, etc.) crops being grown within the state of Nevada. Annual registration of all Allium crops is mandatory per [Nevada Administrative Code, Chapter 554.910](#). When filing this form with the Nevada Department of Agriculture, ensure that all regulatory requirements are reviewed. Allium crops require a yearly inspection to survey for the presence of white rot (*Sclerotium cepivorum*) and stem and bulb nematode (*Ditylenchus dipsaci*). Additionally, garlic producers who intend to produce certified seed in Nevada will need to file the supplementary “certified garlic seed application” form.

### **INSTRUCTIONS**

1. Submit registration form by the following dates:

<b>Garlic:</b>	<b>March 30<sup>th</sup></b>
<b>Garlic Seed:</b>	<b>February 15<sup>th</sup></b>
<b>Onion:</b>	<b>May 1<sup>st</sup></b>

2. Enclose a detailed field map with registration packet

3. Ensure that form is signed and filled out completely prior to submission

4. Submit application via email to: [rwilhelm@agri.nv.gov](mailto:rwilhelm@agri.nv.gov) or via mail to:

Nevada Department of Agriculture  
Attn: Seed Program  
405 South 21<sup>st</sup> Street  
Sparks, NV 89431

5. An invoice will be compiled and sent to applicant after the registration form has been processed and all documents have been filed for the given crop year. Fees for each crop type are provided below:

Crop	Price/Acre
Garlic – True Seed	\$5.00
Garlic – Vegetative Seed	\$14.00
Onion – True Seed	\$5.00

6. You will be contacted by a Department representative to schedule a field inspection after the registration form has been fully processed.
