

NEVADA DEPARTMENT OF AGRICULTURE
Food and Nutrition Division
Meal Vendor/Caterer Registration

The purpose of vendor registration is to identify companies that have been approved by the Nevada Department of Agriculture to provide meals to Child Nutrition Program sponsors in Nevada. Once your application is submitted, the Food & Nutrition Division will review the application and notify applicants of approval or denial of the application. An on-site inspection of meal production facilities may be required for approval. Failure to submit all required documents may delay the approval process or result in an application being denied.
